## Profile

I am a passionate and hard-working individual with a track record of success and significant academic, workplace and community achievements. I have been able to demonstrate the ability to meet tight deadlines, apply strategic, analytic and problem solving skills, communicate effectively, and use initiative when dealing with workspace tasks.

I am now seeking an internship in the IT field. I believe I would be able to contribute significantly to the success of the organization in which I am employed.

### THE ZURI TEAM X I4G

May 2022 - AUGUST 2022,

It was four months of learning, collaboration and fun. I learnt HTML5, CSS3, Git, and JavaScript during the course of this training. I can now confidently build a website and push to a Github repo without any glitch. I also learnt how to merge pull requests.

### ST. GEORGE'S MEMORIAL HOSPITAL / Student Intern

April 2018 - Rasheed Alaba street, Lekki Phase 1, Lagos.

It was a full week of learning about the medical profession. I worked alongside medical professionals and learnt about human anatomy, surgical procedures and medical vocabulary.
